

FIRM SUMMARY

JEM Group is a woman-owned construction services firm located in Harrisburg, Pennsylvania. From the beginning, the driving force of our organization has been to improve the communities where we live and build. On each project that we undertake, our goal is to develop deep relationships with our clients by understanding their project vision and developing a strategy for execution.

Our portfolio of work includes projects of all sizes and levels of complexity – from the simple office fit-out to a complex urban renewal project. Our diversity of experience across the markets we serve and our capabilities ensure that we can meet the needs of all of our clients.

CORE COMPETENCIES

JEM Group provides design-build, general construction and construction management services. Our core markets in those services are:

- **Corporate Office**
- **Higher Education**
- **Government**
- **Health Care**
- **Retail**
- **Urban/Adaptive Re-Use Projects**
- **Historic Renovations**
