

BUILDING TO IMPROVE LIVES

YOUR CLIENTS + OUR TEAM

LIFE MADE SAFER & EASIER

About Us

Founded in 2003, JEM Group is a leading full construction services firm serving the healthcare, multi-unit housing, community/non-profit, education, corporate and hospitality markets. As an experienced contractor in overseeing programs that enable a framework for success, we maintain a competitive edge with proven processes and customized services.

Our Services

We deliver on flexibility, scalability, cost containment and operational efficiency. Through a program framework with a prequalified network team, supply chain leverage, and process controls, JEM manages complex installations and brings the knowledge, experience and resources to advance home safety.

Our services include:

- Program, Project & Construction Management
- Project, Evaluations & Development Services
- Procurement & Bid Management
- Schedule & Budget Management
- Cost Estimating, Consultancy & Value Engineering
- Space & Occupancy Planning
- Repair & Replacement of Specialty Equipment

Our Work

Feature Partnership: PA Health & Wellness

Project Management

Our experienced Home Adaptations team provides proven workflow and processes. JEM's HA Division is well acquainted with the pre-qualified bid process and overall program management.

Diverse Needs; Individual Attention

Our Residential Home Adaptation projects feature:

- Straight & Curved Stairlifts
- Vertical Platform Lifts
- Ramps & Platforms
- Barrier-Free Showers
- Portable Shower Bays
- Interior/Exterior Door Widening
- Grab Bars & Handrails

Easy To Customize

Projects range from \$500 (i.e. handrail/grab bars installs) to \$40,000 (i.e. bathroom modifications).
